

TOWN OF SPIDER LAKE, SAWYER CO, WI
ATV COMMITTEE MEETING 01/18/2006

The Town of Spider Lake ATV Committee meeting was called to order on January 18, 2006 by Chairman Krause. Present was Krause, Promersberger, Keith Larson, Butch Meyers, Rich Houge, Don Mrotek, Cheryl from the Forest Service and Clerk Guyer.

Roads that didn't go anyplace were identified and it was agreed the signs would be removed. Larson will go with Cheryl to remove them. Other areas that are sensitive to wildlife and the environment were discussed.

The Town is concerned of having cars parking on Town roads to load and unload their machines. It was discussed that having a trail or trails through the National Forest if they did not disrupt the sensitive areas would be a much better alternative.

The Committee will meet again after the Town Board Meeting in February.

Ruth Guyer, Clerk
